- 19" Multimedia Monitor (18.0" viewable image area)
- Integrated Telex® microphone
- High-quality 0.26 mm dot pitch
- Digital on-screen display controls

The Compaq Advantage

Compaq MV940 Multimedia Monitor

New space saving design gives you the large viewing area of a 19" monitor with the same depth of a 17" monitor. Enjoy a professional-sized screen and extra room on your desk

Speakers

Detachable or attachable, monitor-powered JBL Platinum Series Speakers offer crisp sound and the convenience of a digital audio player jack. Just plug in your digital audio player and listen to tunes without powering up your PC

New Design

Styled to match the cool new look of the Presario desktop PCs

Dot Pitch

With a dot pitch at .26 mm and 1600 x 1200 resolution, you'll enjoy incredibly clear, sharp, professional grade images

On-Screen Display

A simple, on-screen display menu helps you easily adjust screen dimensions, colours and image attributes

Plug and Play

Just plug your monitor into your PC, and you're ready to go

Integrated Telex Microphone

Built-in, high-quality voice recognition
